IMPORTANT

Vendor Information

1. Prior participating vendors (food or other) have first booth space preference. If other booth spaces are available they will be on a first come, first served basis avoiding multiple food vendor repetitions.
2. All booth spaces outside. No pre-constructed booths available on-site. Vendor must provide and/or erect own booth. Protection (plastic, canopy, canvas, etc.) from sun and inclement weather is the responsibility of the vendor. **Reserved parking for vendors is not available.**
3. Water hookups and electric receptacles available. Vendors requiring water are expected to have adequate water hose to meet their needs. Hose must meet specification of the Harrison County Department of Health. Vendors must provide adequate UL Approved heavy-duty electric cords to meet their needs.

4. Each food vendor must be equipped with an OSHA approved fire extinguisher.
5. Booth area will be accessible Tuesday and Wednesday of Festival week from 8:00 a.m. to 12:00 midnight. **All booths must be in place by 12:00 midnight on Wednesday of Festival week.**

6. Vendors must have restocking of booths completed and vehicles removed from booth area one-half hour prior to daily opening hours.

*7. Booths must remain open until the 5:00 p.m. closing on Sunday. **No vehicles on grounds until festival closes.**

*8. Vendors are not permitted to sell pornographic materials, objectionable materials, or explosive devices of any kind. **The Festival Committee reserves the right to ban the sale of questionable items.**

*9. Sale of apple butter is limited to established apple butter makers who have been pre-authorized by the Festival Committee to make apple butter on site. **Absolutely no sale of apple butter by individual vendors.**

10. Sale of crafts and food from same booth not permitted.

11. **Food vendors must submit a specific menu and price list with application.** The Festival Committee reserves the right to approve menu items to eliminate over duplication. Our desire is to provide as much variety as possible with the limited space available and we will attempt to limit main menu items offered to no more than 2 food vendors. Vendors should have alternate menu items available in case of over duplication. **Menu with prices must be displayed at vendor booths.** Applications without complete menu and price list will be rejected.

12. Craft and novelty booths may be asked to donate a representative item for the Apple Butter Festival Celebrity Auction.

13. All raffles must be registered at the festival office and the drawings conducted at the scheduled time on stage.

***Violators will be penalized!**
