Antique quilts are welcome to be submitted for display with a short description of who made the quilt and the best estimate of when it was made. These quilts are very interesting and beautiful, but very difficult to judge because of changing tools and techniques. They will not be judged but might be chosen for a specialty ribbon (for example, Mayor's Choice).

Cash prizes have been donated by Oma's Hobby Hideaway and the Millennium Quilt Guild.

To me, the beauty of a quilt or a dress lies within the stitches and the thought of the person who made them. When you spend time making something with your two hands, you impart love in a way that buying never can." — Natalie
